

Sysco Solutions Partners

Company Description:

Dynamic Media is the world's largest reseller of SiriusXM, hardware, and commercial audio systems.

Value:

The SiriusXM Business platform provides over 100 channels of music delivered via the internet or by satellite. All licensing is included in the monthly subscription fee, so you know the music you're playing is not only great but is legal as well.

Advantage:

With over 8,000 technicians, we provide on-site technical services in all U.S. zip codes and across Canada. There is no project that is too big or too small for our service team. We are here to support your business music needs in every way possible.

Product Offering:

SiriusXM is the biggest name in business background music. Restaurants can access the music using a SiriusXM player, or by using the free SiriusXM app. The business channels are free of commercials or DJs. It's the music your customers know and love available for your business.
