Company Description

CheddrSuite is a cloud-based, SAAS business management software for restaurants that serves as a one-stop platform to streamline all of your restaurant management needs like scheduling, communication, inventory, documentation, and more.

Value:

CheddrSuite eliminates the need for multiple apps, and can be accessed from anywhere at any time. There are no annual contracts, and users receive access to free online trainings, webinars, and live support.

Advantage:

Gone are the days of bundling packages and using multiple programs. With CheddrSuite, users only pay one price per month and receive access to all the tools and business solutions they need to manage the day to day operations of their restaurant. That means less time keeping up with programs and logins and more time running the business.

Product Offering:

CheddrSuite replaces the paper clutter mess of invoices, schedules, spreadsheets, and complicated POS reports to help you better communicate issues shift to shift and understand if you are making or losing money - and why. This inclusive tool features scheduling capabilities, log documentation, inventory management, document storage, vendor management, comprehensive overviews of revenue, cost, and goals, as well as centralizing staff communication into a single, easy-to-use platform.
